

6th August 2020

REWARD POINTS

To the members of the Alstonville Plateau Bowls and Sports Club,

The COVID-19 Pandemic has placed extreme financial hardship upon our Club. The Board of Directors and Management have been forced to evaluate all aspects of our business with the aim of cutting expenses where possible and maximising profits. Some of these measures have commenced already.

With the above goal in mind, it is with regret that we are forced to cease the membership reward point system that has been in place at the Club.

Members are advised to redeem their available reward points by close of business on Friday 14th August 2020. All reward points that are not redeemed by this time will be retired. No further points will be accumulated from this date.

The Board are mindful of the difficulties that lie ahead for our community and our organisation and are hopeful that members will get behind their Club and support it through these tough times.

We thank all members for their understanding of the enforced changes and hope to see you at your Club soon.

Kind regards

Sue Whiting

Secretary Manager

On behalf of the Board of Alstonville Plateau Bowls and Sports Club Ltd.
